Poster sessions

Poster format

- **Size:** A0 format (1189x841 mm) is recommended. The maximum size of the poster must not exceed 1300 x 900 mm. The minimum size of the poster is A1 format (841x594 mm).

- **Orientation:** portrait

- **Layout:** There is no specific layout required for the poster, but following general guidelines must be kept:

  o The poster must contain paper title, authors names including affiliations, paper content.

  o Font size must be in reasonable values, so the posters could be read from the distance.

  o IEEE logo placement is recommended, you can get it in various formats at IEEE web site (http://www.ieee.org/about/toolkit/masterbrand/DF_IEEE_MIG_MCT_48654)

Poster presentation

- Poster boards will be available on Thursday, December 4ᵗʰ from 9:00 am. The posters must be placed onto the poster boards not later than 1:30 pm.

- The authors are required to present their posters to conference participants during poster session on Thursday, December 4ᵗʰ from 3:30 pm to 5:00 pm.

- It is recommended to keep the posters placed during conference banquet, taking place at the same area as poster session, to enable further discussions during the banquet.
