

22nd MECHATRONIKA 2026

WHERE and HOW TO SUBMIT

Where to Submit

All papers must be submitted electronically through the Microsoft Conference Management Toolkit (CMT).

The submission site for this conference is:

<https://cmt3.research.microsoft.com/ME2026>

Authors must log in using an existing Microsoft account or register for a new CMT account.

Submissions sent by email will not be accepted.

How to submit

1. Login to CMT:

Go to <https://cmt3.research.microsoft.com/> and sign in with your credentials.

2. Select the Conference:

Find and click the name of the conference (22nd International Conference on Mechatronics – Mechatronika 2026).

3. Go to the “Author” tab:

Once inside the conference page, open the Author role tab.

4. Create a New Submission:

Click “+Create New Submission” and fill out all required fields:

- Title and Abstract
- List of all authors (full names, emails, affiliations)
- Subject areas / Keywords

Save and Submit: Click “Submit” to finalize and upload your submission.

The system should show the status “Submitted” (not *Incomplete*).

7. Check Deadlines:

All deadlines should be set in Pacific Time (UTC–8). Please verify the time difference for your region.
