

22nd MECHATRONIKA 2026

Abstract submission

STEP 1 – Login in CMT

<https://cmt3.research.microsoft.com>

If you already have a user account in CMT, introduce your email address and Password then click Login

If you didn't use CMT before, you should enter your Email address and Password and click Register. Then please follow the instructions.

STEP 2 – Submit an Abstract

Find the *2026 22nd International Conference on Mechatronics - Mechatronika (ME)* (or use the provided direct link).

Once logged in, you will be taken to the Author Console. All your submissions will be listed on this page. Click on the top-left corner of your screen to “+Create new submission button” to create a new submission.

Complete the required field:

Title

Abstract

Authors (Note: please verify the correct order of the authors, as they will appear later in the final paper).

Subject areas / Keywords

Files (neither pdf nor txt or doc) are not necessary to upload.

Click on the left-bottom corner of your screen to “submit” button for submitting your abstract.
